Katrina,

I had a good conversation with (b) (6) about the upcoming work in September. She didn't have any major concerns.

She indicated that they are hoping to develop the property for commercial purposes once the remedial work is completed.

I provided my contact info incase (b) (6) has any questions/concerns.

Thanks

Katrina,

I spoke with Wiley Cox at Falcon Oil and informed him of the upcoming work in mid-September. He said he is fine with what work needs to be performed, and did not wish to participate on a call to discuss any details.

I also left a voicemail for Isaac Bell. I am awaiting a return call.

Thanks
